↗ **PG admission in different subject**

Credit Structure for PG Programmes

Duration of PG	Total Credits for UG
1-year	40
2-Year	80

Salient Features of ADP and EDP

- The transcripts should record only the courses the students take in a semester.
- The degree will contain a note stating that the academic requirements required in a standard duration have been completed in a shorted/extended duration.
- Govt. departments, Recruiting agencies, Private organization should treat the Accelerated Degree Programme and Extended Degree Programme on par with degrees with standard duration.
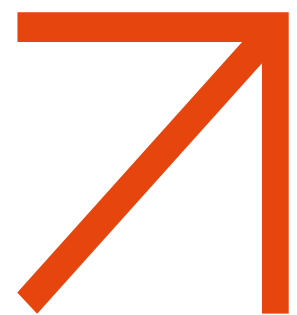

Thank you
